- Use the Moow.Hub® brand in connection with any illegal, harmful, or controversial products or activities
- Alter, modify, or create derivative versions of any Moow.Hub® brand assets
- Use the Moow.Hub® brand after termination of this Agreement

C.7 — Approval Process

All uses of Moow.Hub® brand assets outside of pre-approved templates must be submitted to **brand@moow-hub.com** for review. Moow.Hub® shall respond within 5 business days. No use shall commence until written approval is received.

C.8 — Brand Audit

Moow.Hub® reserves the right to conduct periodic brand audits to ensure compliance with this Schedule. The Partner shall cooperate fully and provide access to all materials featuring Moow.Hub® branding within 5 business days of request.

Schedule D — Data Processing Addendum

This Addendum sets out the terms under which personal data is processed in connection with this Agreement. It applies where either Party processes personal data on behalf of the other.

D.1 — Definitions

- **Data Controller:** The Party that determines the purposes and means of processing personal data
- **Data Processor:** The Party that processes personal data on behalf of the Data Controller
- **Data Subject:** An identified or identifiable natural person whose personal data is processed
- **Personal Data:** Any information relating to an identified or identifiable natural person
- **Processing:** Any operation performed on personal data, including collection, recording, storage, adaptation, retrieval, consultation, use, disclosure, erasure, or destruction

D.2 — Roles & Responsibilities

Each Party's role shall depend on the context of processing:

- **Customer Data:** Moow.Hub® acts as Data Processor; Partner acts as Data Controller
- **Platform Analytics:** Moow.Hub® acts as Data Controller
- **Marketing Data:** The Party initiating the marketing campaign acts as Data Controller

D.3 — Types of Data Processed

- Partner contact details (name, email, phone, address)
- End-customer information (name, email, delivery address) — only for fulfilment purposes
- Transaction data (order history, payment references — no card details stored)
- Platform usage analytics (page views, session data, device information)
- Marketing preferences and consent records

D.4 — Processing Purposes

- Order fulfilment and product delivery
- Account management and partner support
- Platform improvement and analytics
- Marketing communications (with explicit consent)
- Legal and regulatory compliance
- Fraud prevention and security

D.5 — Data Security Measures

Each Party shall implement appropriate technical and organisational measures, including:

- Encryption of personal data in transit and at rest (AES-256 or equivalent)
- Access controls and authentication mechanisms
- Regular security assessments and vulnerability testing
- Employee training on data protection
- Incident response procedures
- Physical security of premises where data is processed

D.6 — Data Subject Rights

Each Party shall assist the other in responding to data subject requests within 30 days, including:

- Right of access (Subject Access Request)
- Right to rectification
- Right to erasure ("right to be forgotten")

- Right to restrict processing
- Right to data portability
- Right to object to processing
- Right not to be subject to automated decision-making

D.7 — Sub-Processors

The Data Processor shall not engage sub-processors without prior written consent of the Data Controller. Where sub-processors are approved, the Data Processor shall ensure equivalent data protection obligations through contractual arrangements.

D.8 — Cross-Border Transfers

Personal data shall not be transferred outside the jurisdiction of collection without appropriate safeguards, including:

- Adequacy decisions (where applicable)
- Standard Contractual Clauses (SCCs)
- Binding Corporate Rules (BCRs)
- Explicit consent of the Data Subject

D.9 — Data Breach Notification

In the event of a personal data breach, the affected Party shall notify the other Party within 72 hours of becoming aware of the breach, providing:

- Nature of the breach and categories/number of Data Subjects affected
- Name and contact details of the data protection officer
- Likely consequences of the breach
- Measures taken or proposed to address the breach

D.10 — Data Retention

Personal data shall be retained only for as long as necessary for the purposes for which it was collected, or as required by applicable law. Upon termination of this Agreement, the Data Processor shall, at the Data Controller's choice, return or delete all personal data within 30 days.

D.11 — Applicable Law

This Addendum shall be governed by the data protection laws applicable in the jurisdiction selected in Schedule A, including but not limited to:

- India's Digital Personal Data Protection Act, 2023 (DPDPA)
- UK General Data Protection Regulation (UK GDPR)
- EU General Data Protection Regulation (EU GDPR)
- California Consumer Privacy Act (CCPA) / California Privacy Rights Act (CPRA)
